The following provides some information on directions and restaurants. Locations in bold can be found on the attached maps.

**Directions from the Airport to the Hotel**
The conference hotel is the Sheraton Clayton Plaza (located at A on the street map). The hotel is about 15-20 minutes from Lambert International Airport. Cab fare should be about $25. It should be sufficient to tell a cab driver that you are staying at the “Sheraton in Clayton”, but just in case the address is 7730 Bonhomme, Clayton MO 63105.

**Directions from the Hotel to the Conference**
The hotel will run a shuttle service between the hotel and the university. The shuttle will take you directly to the relevant conference locations on campus. If you choose to walk, go right on Bonhomme, left on Hanley, right on Forsyth. It is about 1.7 miles to Goldfarb Hall, which is on the North side of Forsyth, right before Chaplin Drive on the street map. It is #35 (location I-8) on the campus map.

**Directions from Local Area to the Conference**
If you are driving, you can use the parking lot (K,L-8 on the campus map) out front of Brookings Hall (#13, J-7 on the campus map). You should park in the spots designated as “Yellow parking”. You will need to hang a parking pass from your rearview-mirror. The passes are available for $3 per day from the registration desk.

**Relevant Locations on Campus**
On Friday morning, the conference activities will take place in Goldfarb Hall (#35, I-8 on the campus map). Lunch on Friday will be in McMillan Café (#59, H-4). On Friday afternoon and all day Saturday, the conference activities will take place in the Lab Sciences Building (#6, H-4) and McMillan Hall (#59, H-4). The reception on Friday evening will be in the Whittemore House (#104, F-7). There will be student volunteers to help guide you from venue to venue.
Restaurant Information
There are two areas with numerous restaurants close by to Washington University. Downtown Clayton is west of the university (where A is on the street map) and is where the conference hotel is located. “The Loop” is just north of the university (Delmar Ave. where University City is written on the street map) and is walking distance from the campus.
