Student subscriptions to business and economics publications

Reading business and economics publications is not a course requirement. However, it's an excellent way to deepen your knowledge and understanding of how the economy works, and it is strongly recommended. The following are subscription plans for students (at rates that are well below the regular prices). If you have any questions, call the numbers listed below or send me an e-mail at mrk@rci.rutgers.edu.

**New York Times**

You can either get 50% off the regular rate for delivery of the print edition to your residence (and get full access to the digital edition) – net cost about $2.50/week -- or subscribe to the digital edition only for $0.99 for the first four weeks and then 50% off the regular rate thereafter. For details and to subscribe, go to [www.NYTimes.com/CollegeRate](http://www.NYTimes.com/CollegeRate). Use your .edu email address for verification.

**Wall Street Journal**

Published Monday through Saturday. Subscription includes access to both the print edition of The Journal, the digital edition, and the website, [wsj.com](http://wsj.com). The cost is $15 for 15 weeks (a dollar a week). Delivery is to your residence (dorm, house, apartment, etc.). You will be billed, and can pay by credit card.
